Film Festival Video Rubric				
CRITERIA	Minimal Performance (1-4 points)	Adequate Performance (5-8 points)	Exemplary Performance (9-10 points)	Score
Camera Handling (x1) (steady creative shots, good focusing, excellent closeups)	Serious problems with focus, steadiness, and framing are evident.	Most shots are clearly focused and framed, with adequate close-ups included. May include: Field of view, transitions, angle, camera moves, zoom lenses, vertigo effect, depth of field	Steady and creative shots that enhance the video are utilized, and excellent close-ups and angles are included.	X1 (1-10pts)
Camera Settings (x1) Camera shot on manual with ISO, WB, aperture, & shutter speed set correctly for each shot.	Video may be unclear, dark, distorted, or washed out from poor aperture, ISO, WB, and/or shutter speed.	The video is clear, with consideration given to a good color, lighting, and WB; Poor Aperture or ISO may occasionally be a distraction.	The video is clear and recorded with great exposure, placement, and technique.	X1 (1-10pts)
Lighting (x1) (Shots well lit, techniques used to correct poor lighting)	Numerous shots are improperly lit; bleaching, shadows, or unbalanced conditions may be evident in some shots; there is no evidence of an attempt to correct problems.	Most shots are properly lit, either through ambient lighting or the use of techniques to correct poor lighting conditions.	All shots are well lit, either through ambient lighting or the use of techniques to correct poor lighting conditions. The video reflects an excellent and creative use of lighting, which propels the story emotionally.	X1 (1-10pts)
Audio (x1)	The audio quality is poor, a result of use of the on-camera microphone for recording, poor levels making background music/dialogue difficult to hear or too loud.	The audio quality is clear, with appropriate levels, and reflects the correct use of microphones and audio techniques. Choice of Background music is appropriate for the video.	The audio quality is excellent, with use of additional audio clips/cues, and timing that enhances the video production.	X1 (1-10pts)
[Editing] Continuity & Pacing (Followed a theme, message/plot, beginning/middle/ending) (X2 "1-20pts")	0-8pts The story sequencing is confusing; shots are too long or "clipped," with edit points appearing "glitchy." The work is unorganized and sloppy.	10-16pts The pace and timing are well structured; clips move along and tell the story, with moderate use of transitions. The work provides an organized and logical presentation of essential issues. Background music/dialogue is adequately timed with the video.	18-20pts Shots logically pace the story along in an interesting way, with an excellent and purposeful use of transitions. The work provides an exemplary use of cutting and placement principles to logically communicate important data.	X2 (1-20pts)
Video effectiveness (X2 "1-20pts")	0-8pts The video does not meet project goals, presents an unclear message, and/or is sloppy overall.	10-16pts The video topic is presented with insights; the video adequately meets the objective.	18-20pts The video is clearly focused, with a rich variety of supporting material that meets all guidelines of the film festival.	X2 (1-20pts)
Creativity & Originality (x1)	There is little original thought or creativity in the design and production, resulting in what appears to be a simple piecing together of events.	The video reflects original thought and creative elements that are effectively expressed and highlighted.	Originality and creativity are at the forefront of the video, with thematic elements incorporated in a highly authentic way.	X1 (1-10pts)
Use of Titles (x1)	A title is included at beginning or end, but not both	A title is included for the opening or ending of the video, but font and colors could be difficult to read and no extra effort to enhance look of text.	All needed titling included. Eye pleasing fonts colored to enhance the video were used. MSEB End Credits Template used.	X1 (1-10pts)
